Consent for Treatment *(Please complete section A or B and sign below as indicated)*

- A. I, _____ (patient name), the undersigned, do voluntarily consent to behavioral health assessment and/or treatment for myself by a Family Guidance Centers therapist.
- B. I, _____ (parent/guardian name), the undersigned, am the legal guardian of _____ (child's name), _____ (date of birth), a minor child. I do voluntarily consent to their behavioral health assessment and/or treatment for myself by a Family Guidance Centers therapist.

- I understand that like other healing arts, behavioral health is not an exact science and no guarantees are being made as to the results of assessment and/or treatment.
- I am aware that I am an active participant in this endeavor and that I share the responsibility for the treatment process
- I understand that assessment and/or treatment will be kept confidential with the exception of legal limitations of confidentiality. In addition, I am aware that although your therapist is clinically independent, consultations with other therapists are sometimes advisable, and my signature below gives your therapist permission to do that. I further understand that there are specific and limited exceptions to this confidentiality which include the following:
 - When there is risk of immediate danger to myself or to another person, the clinician is ethically bound to take necessary steps to prevent such danger.
 - When there is suspicion that a child or elder is being abused or is at risk of such abuse, the clinician is legally required by Virginia State to take steps to protect the child, and to inform the proper authorities.
 - When a valid court order is issued for medical records, the clinician and agency are bound by law to comply with such requests
- I understand that when the above named therapist is unavailable, another behavioral health provider may be providing crisis coverage. I understand that the therapist providing coverage may be given access to relevant information in order to provide the best interim care possible.
- I authorize the release of any information necessary to process any insurance claims. This would include an ongoing release of information to meet managed care review requirements.
- If you are a member of a Managed Care Organization, a "Members Rights and Responsibilities" document may be available to you.
- FGC has provided me with the opportunity to read the Notice of Privacy and all of my questions have been answered.
- You have the right to revoke this consent in writing and terminate services with the above named therapist at any time. In that event, your therapist or FGC staff is willing to help you locate alternative resources in the community.

I have read and understand the information on this form. My signature indicates my informed consent with your therapist. If you have any questions about the form, please discuss them with your therapist.

_____ (initial here) Financial Policies and Cost of Services

Most insurance companies reimburse a portion of the cost of services. We will assist you as best we can to determine your copay, deductible, or coinsurance amounts and we will automatically file your claim, if accurate and current insurance information is provided. Each responsible party is required to complete the patient information form with accurate and complete information. Failure to provide current and accurate information may result in reimbursement denial by your insurance company. As a service to our clients, we will assist you in completing and filing the insurance claims. Further, a monthly statement will be sent to the address on file for accounts with balances above \$5. Most insurance plans call for a deductible or co-payment then will typically pay a percentage of the costs thereafter. EACH CLIENT IS REQUIRED TO FULFILL THE DEDUCTIBLE AND THEN PAY THE REMAINING PERCENTAGE OR COPAY ON A SESSION BY SESSION BASIS. ANY OTHER ARRANGEMENTS MUST BE NEGOTIATED AT THE TIME TREATMENT HAS BEGUN, AND MUST BE IN WRITING. Otherwise, FGC will hold you responsible for professional services rendered at our above noted self pay rates. Please note, however, that you are responsible for verifying your insurance benefits, providing any required background or other information to the company prior to payment, and arranging for initial preauthorization of care, if required. Ultimately, you are responsible for your bill, not your insurance company.

_____ (initial here) Records Release, Preparation of Letters or Reports, Non-Emergency Telephone Calls, and other Incidental Activities

In recent years, healthcare companies have reduced reimbursement rates and limited coverage to face-to-face contact only. Records releases, reports, letters, disability certificates, telephone calls, and many other necessary activities are not covered by your insurance. Charges for these services are calculated based on the time required to complete the activity as shown in the fee schedule below.

_____ (initial here) Court Related Activities

Court and forensic activities are an additional out of pocket cost that is not covered by your insurance. As a general policy, our therapists cannot be available "on-call". **A required retainer of \$1,500 is due at least 72 hours before the scheduled court appearance. This is non-refundable. Our fees are listed below.** The remainder of the costs will be billed after the court appearance and will be due upon receipt.

_____ (initial here) **Cancellation & No Show Policy**

A minimum of **24 hours notice is required for cancellation of appointments**. If this notice is not received or if the patient fails to show for the appointment, the Responsible Party will be charged \$100 for the no show/late cancel appointment. No show or late cancel appointment fees are due immediately. Such charges will not be billed to the insurance company. Therapists may elect to terminate treatment for failure to attend scheduled appointments.

_____ (initial here) **Delinquent Accounts**

Every effort will be made to obtain reimbursement through your insurance plan if they are services covered by your insurance. However, it remains your full legal responsibility to assume the financial obligations for our bill should the insurance company deny any part of the claims for services rendered. Accounts are considered past due if no payments have been made for 30 days. Statement of charges sent to you are agreed to be correct and reasonable unless disputed in writing within 30 days. After a 90 day absence of payment, the account is delinquent and will be forwarded to collections. Should it be necessary to resort to a collection agency and/or attorney for the collection of your account, you agree to pay any attorney and collection fees not to exceed 1/3 of the unpaid balance and any court costs incurred in addition to the amount owed.
