Consent for Treatment *(Please complete section A or B and sign below as indicated)*

A. I, _____ (patient name), the undersigned, do voluntarily consent to behavioral health assessment and/or treatment for myself by a Family Guidance Centers therapist.

B. I, _____ (parent/guardian name), the undersigned, am the legal guardian of _____ (child's name), _____ (date of birth), a minor child. I do voluntarily consent to their behavioral health assessment and/or treatment for myself by a Family Guidance Centers therapist.

- I understand that like other healing arts, behavioral health is not an exact science and no guarantees are being made as to the results of assessment and/or treatment.
- I am aware that I am an active participant in this endeavor and that I share the responsibility for the treatment process
- I understand that assessment and/or treatment will be kept confidential with the exception of legal limitations of confidentiality. In addition, I am aware that although your therapist is clinically independent, consultations with other therapists are sometimes advisable, and my signature below gives your therapist permission to do that. I further understand that there are specific and limited exceptions to this confidentiality which include the following:
    - When there is risk of immediate danger to myself or to another person, the clinician is ethically bound to take necessary steps to prevent such danger.
    - When there is suspicion that a child or elder is being abused or is at risk of such abuse, the clinician is legally required by Virginia State to take steps to protect the child, and to inform the proper authorities.
    - When a valid court order is issued for medical records, the clinician and agency are bound by law to comply with such requests
- I understand that when the above named therapist is unavailable, another behavioral health provider may be providing crisis coverage. I understand that the therapist providing coverage may be given access to relevant information in order to provide the best interim care possible. I understand that FGC is not a crisis center, and that if I am experiencing an emergency, the first action taken should be to call 911, go to the emergency room, or contact your local crisis center. We cannot guarantee immediate crisis coverage.
- I authorize the release of any information necessary to process any insurance claims. This would include an ongoing release of information to meet managed care review requirements.
- If you are a member of a Managed Care Organization, a "Members Rights and Responsibilities" document may be available to you.
- FGC has provided me with the opportunity to read the Notice of Privacy and all of my questions have been answered.
- You have the right to revoke this consent in writing and terminate services with the above named therapist at any time. In that event, your therapist or FGC staff is willing to help you locate alternative resources in the community.
- I hereby give my consent for Family Guidance Centers (the Practice) to use and disclose my protected health information (PHI) to perform treatment, payment and health care operations (TPO). With this consent, the Practice may call me or email me to my home or other alternative location and leave a message by voice, email or in person in reference to any items that assist the practice in carrying out TPO, such as appointment reminders, insurance items and anything pertaining to my clinical care. With this consent, the Practice may mail to my home or other alternative location any items that assist the practice in performing TPO, such as appointment reminder cards, patient statements and anything pertaining to my clinical care. By signing this form, I am consenting to allow the Practice to use and disclose my PHI to carry out TPO.

I have read and understand the information on this form. My signature indicates my informed consent with your therapist. I may revoke my consent in writing except to the extent that the Practice has already made disclosures upon my prior consent. If I do not sign this consent, or later revoke it, the Practice may decline to provide treatment to me. If you have any questions about the form, please discuss them with your therapist.

_____*(initial here)* **Financial Policies and Cost of Services**

Most insurance companies reimburse a portion of the cost of services. We will assist you as best we can to determine your copay, deductible, or coinsurance amounts and we will automatically file your claim, if accurate and current insurance information is provided. Each responsible party is required to complete the patient information form with accurate and complete information. Failure to provide current and accurate information may result in reimbursement denial by your insurance company. As a service to our clients, we will assist you in completing and filing the insurance claims. Further, a monthly statement will be sent to the address on file for accounts with balances above $5. Most insurance plans call for a deductible or co-payment then will typically pay a percentage of the costs thereafter. EACH CLIENT IS REQUIRED TO FULFILL THE DEDUCTIBLE AND THEN PAY THE REMAINING PERCENTAGE OR COPAY ON A SESSION BY SESSION BASIS. ANY OTHER ARRANGEMENTS MUST BE NEGOTIATED AT THE TIME TREATMENT HAS BEGUN, AND MUST BE IN WRITING. Otherwise, FGC will hold you responsible for professional services rendered at our above noted self pay rates. Please note, however, that you are responsible for verifying your insurance benefits, providing any required background or other information to the company prior to payment, and arranging for initial preauthorization of care, if required. Ultimately, you are responsible for your bill, not your insurance company.

_____ *(initial here)* **Cancellation & No Show Policy**

A minimum of **24 hours notice is required for cancellation of appointments**. If this notice is not received or if the patient fails to show for the appointment, the Responsible Party will be charged $100 for the no show/late cancel appointment. No show or late cancel appointment fees are due immediately. Such charges will not be billed to the insurance company. Therapists may elect to terminate treatment for failure to attend scheduled appointments.

_____ *(initial here)* **Records Release, Preparation of Letters or Reports, Non-Emergency Telephone Calls, and other Incidental Activities**

In recent years, healthcare companies have reduced reimbursement rates and limited coverage to face-to-face contact only. Records releases, reports, letters, disability certificates, telephone calls, and many other necessary activities are not covered by your insurance. Charges for these services are calculated based on the time required to complete the activity as shown in the fee schedule below.

_____ *(initial here)* **Court Related Activities**

Court and forensic activities are an additional out of pocket cost that is not covered by your insurance. As a general policy, our therapists cannot be available "on-call". **A required retainer of $1,500 is due at least 72 hours before the scheduled court appearance. This is non-refundable. Our fees are listed below.**The remainder of the costs will be billed after the court appearance and will be due upon receipt.

_____ *(initial here)* **Delinquent Accounts**

Every effort will be made to obtain reimbursement through your insurance plan if they are services covered by your insurance. However, it remains your full legal responsibility to assume the financial obligations for our bill should the insurance company deny any part of the claims for services rendered. Accounts are considered past due if no payments have been made for 30 days. Statement of charges sent to you are agreed to be correct and reasonable unless disputed in writing within 30 days. After a 90 day absence of payment, the account is delinquent and will be forwarded to collections. Should it be necessary to resort to a collection agency and/or attorney for the collection of your account, you agree to pay any attorney and collection fees not to exceed 1/3 of the unpaid balance and any court costs incurred in addition to the amount owed.

General Policies

Public Reviews

We really appreciate your reviews both publicly and internally. They help us make our business a better place. If you leave us a poor review on a public platform (Google, Facebook, Yelp etc.) you are acknowledging that we have the right to respond to your review. We take patient confidentiality very seriously, and do not typically respond to any reviews in order to do so. We highly encourage you to directly provide your feedback or concerns to your therapists or the FGC management team as a preferred method of communication. This will allow for a direct response to your concerns.

Social Media

Clinicians and Administrative Staff do not accept "friend" requests or similar connections with patients, or their family members or friends, on social media. This is to protect your confidentiality and privacy. If you would like to "Like" our professional Facebook page or "Follow" us on Instagram, you may do so at your own risk. This is not at any time a way to contact us for therapy/treatment related discussion, even in an emergency. If we come across your social media profiles on accident, we will likely "block" your profile in order to avoid invading your privacy. Please note that any social media apps you use may seek to connect you with me or with other visitors to this office, through a "people you may know" or similar feature. We have no control over apps that may intrude on the privacy of your treatment in this way. If you would like to minimize the risk of others becoming aware of your connection to us or this office, please make use of the privacy controls available on your phone. Turning off a social media app's ability to know your location, and refusing it access to your email account and the contacts and history in your phone, may protect your privacy and confidentiality.

Recording Devices

We have a number of smart devices that have microphones, including our cell phone, laptop, and other devices that may be in the office. These devices generally have voice control turned off, and are **not** recording. Security cameras are used throughout common areas of the office (excluding restrooms and private offices) by administrative staff and/or property management for the safety of those who use these facilities. We do not record any audio. If you prefer not to be recorded in common areas, we offer Telehealth options. Security cameras are **not** allowed in treatment rooms. Security footage is **not** used for clinical diagnosis.

Phone & Email Contact Consent and Authorization

I, _____ , with respect to any services provided or that are planned to be provided to myself or, as an authorized legal representative, for the below listed individual, fully consent to and authorize Family Guidance Centers staff and therapists or any of its automated systems to contact me via phone or email address (including to my cellular phone by way of phone call, or text message) in relation to any services received from Healthcare Provider or any services planned to be received from Healthcare Provider (including any billing items or appointment reminders).

As a patient of Family Guidance Centers, you may request that we communicate with you via unencrypted electronic mail (email). This page will inform you of the risks of communicating with your healthcare provider via email. Your health is important to us and we will make every effort to reasonably comply with your request to receive communications via email, however, we reserve the right to deny any request for email communications when it is determined that granting such a request would not be in your best interest.

Family Guidance Centers will make every effort to promptly respond to your requests for information via email, however, *if you are experiencing an emergency, you should never rely on email communications and should seek immediate medical attention*.

Risks of using email to send protected health information include, but are not limited, to:

- **Risk of Unauthorized Access by a 3rd Party**: Do you share a computer with your family? Is your email address or access to email provided through your employer? Do you access your email over an unsecured connection such as public Wi-Fi? Do you access your email on your mobile device? Emails may be accessed by someone you do not wish to know about your health information. Despite necessary precautions, email may be sent to the wrong address by either party. Email may be intercepted or altered in transmission by a computer hacker or computer virus.
- **Unique Difficulty in Verifying the Sender**: Email may be easier to forge than handwritten or signed papers. Family Guidance Centers will only send emails to the email address you provide, but it may be difficult to confirm that you are in fact the person sending the request for information from your email address.

Patient Consent to Unencrypted Email Communications

By signing below, you acknowledge your recognition and understanding of the inherent risks of communicating your health information via unencrypted email and hereby consent to receive such communications despite those risks. Messages containing clinically relevant information may be incorporated into the medical record at the provider's discretion.

By signing below, you also acknowledge that you have the choice to receive communications via other more secure means such as by telephone. By signing below, you agree to hold Family Guidance Centers harmless for unauthorized use, disclosure, or access of your protected health information sent to the email address you provide.

If this Consent and Authorization *applies to someone for whom you are a legal representative, **please print their name below**, if not please indicate so by populating the blank with N/A*.
